

Projango 1.0.0 General Availability

06. February 2013 Klaus Villinger

- Enhancement: Projango now scales better for multiple clients.
- Enhancement: The undelete operation now performs a partial consistency check, only covering the work items concerned.
- Fix: Stories dragged into the open backlog now are stored at the correct position.
- Fix: Prevented multiple concurrent licence windows.
- Fix: Retrofitting the estimation of a task now updates the burndown chart.

Klaus Villinger is co-founder and director of the Xenatec GmbH. He is responsible for the technical innovation of the Xenatec products, software development and production and customer support. Apart from that, he supervises the service sector IT-Consulting.
